

BigEye Lamps Just Got Better!

Mattingly Low Vision is happy to announce a NEW Rolling Floor Lamp Base and a 6D Super Booster Lens for our BigEye Lamps!

Add convenience to any floor lamp!

New 6D, aspheric, super booster lens is twice as powerful as the standard booster lens.

High quality, durable and extremely functional, BigEye Lamps offer great lighting and magnification solutions. And, don't forget our 3000K and 4000K LED bulbs for enhanced brightness and contrast. BigEye lamps are an indispensable low vision tool!

BigEye Lamps are made with pride in El Paso, Texas at the Mattingly Low Vision Headquarters.
