

The **SMART** Choice!

Hand-Held
Magnifier Stand
NOW AVAILABLE!

The NEW Mattingly hand-held magnifier stand increases the functionality and versatility of our entire line of hand-held magnifiers. Weighing only one ounce, the stand can be adjusted to different heights and angles depending upon the needs of the user and the task at hand. The stand is sturdy, portable, well balanced, and firmly holds its position settings.

The stand can be raised and angled so that the user has a full 4+ inches of space under the magnifier. It also collapses flat, making it easy to transport.

Use the stand to help with writing, reading and hobbies. The stand can help increase ease and decrease frustration with daily living activities!
